Mrs. B. H. Brucks.

The people of Hondo were deeply grieved Thursday afternoon when news was brought to town from her home at Quibbi that Mrs. B. H. Brucks had fallen on eternal sleep. While the passing of this lady was not unexpected as she had long been in failing health, nevertheless her death caused profound sorrow.

Deceased was a native of Medina County, having first seen the light between fifty and sixty years ago and has spent her entire life in this vicinity. She was the daughter of the late Romie Marquis, one of the leading families of the county, and was greatly beloved by a host of life-long friends. She married Mr. B. H. Brucks, for many years county commissioner of Precinct No. 1, who besides several children, survives her.

A more extended notice of this excellent lady will appear in a subsequent issue of the Anvil Herald, prepared by one who is more familiar with her long and eventful life in this western country.

To the stricken husband and relatives the Anvil Herald, in connection with a host of other sympathizing friends, extends condolence and trusts a benign heavenly Father will comfort them in their irreparable loss.

Mr. Frank Cockrell, son, and Mr. Raymond Bailey, brother, were called to the bedside of Mr. Edgar Cockrell in San Antonio this week. Both gentlemen returned home Wednesday but were planning to return to the city Thursday. The elder Mr. Cockrell is in a critical condition and but little hope is entertained of his ultimate recovery. His health has been failing ever since an attack of "flu" last year, but only recently has he been unable to leave his bed. Knowledge of his critical condition will bring sorrow to life-long friends in this section.

Ernest Thorp, an erstwhile newspaper man of Medina county, having conducted papers both at D'Hanis and Lacoste, passed through Hondo Wednesday, and stopped over a few minutes to see the printing folks. Mr. and Mrs. Thorp arrived in D'Hanis last week from their headquarters in Chicago on a visit to Mrs. Thorp's relatives in our neighbor town, and will probably be in this section. Mr. Thorp has retired from the newspaper business, having no desire to accumulate the wealth of the entire world, and is now turning his energies to other business.

Walter Roth, better known to the people of Hondo as "Dinkenspiel," is again here. He at one time was in the confectionary business on Bandera Avenue, but being of a restless temperament disposed of his business and hid himself to other fields. He is now on a tour of the United States, traveling by auto.

Mr. and Mrs. Aug. Garteiser moved to the Graff cottage Monday and Capt. and Mrs. J. D. Smith, who recently purchased the Garteiser home, are now occupying their new home.

Bob Zerr in Hospital.

Bob Zerr, of the First National Bank, was rushed to the hospital in San Antonio Wednesday evening and underwent an immediate operation on arriving in the city. Inflammation of the gall bladder, which had set up other complications, was found. Mr. Zerr stood the operation splendidly, and while he is still quite a sick man as his condition was very grave, it is the opinion of his physicians that he will make a good recovery. The last information from the hospital brought the cheering information that his progress was very satisfactory, which will be pleasing to the people of Hondo.

Hymeneal.

Mr. Harry Heyen and Miss Elizabeth Schweers were married at the home of the bride's mother, Mrs. John Schweers, at 4:00 o'clock Wednesday afternoon, the Rev. Gus Muennink, pastor of the German Methodist Church officiating.

The marriage of these two popular young people of Medina County was the principal social event of the week in Hondo. They are both natives of the county and enjoy the esteem of all who know them. The groom was a gallant soldier in the great world war and still bears the scars of battle received in France. His winsome bride has long been a resident of Hondo and is greatly admired by a large circle of close friends.

The happy young couple left on the evening train for San Antonio and other points east. They will return here before going to Dallas, where they will make their home.

The Anvil Herald, with a host of other friends, extend felicitations and best wishes for a long and joyous married life.

Mr. Kingsley Haralson and bride, nee Miss Molette Williams, arrived here Wednesday and will make their home in Hondo. Mr. and Mrs. Haralson were married at Eldorado, Schleicher County last Monday, the county Judge performing the ceremony.

The bride is not a stranger to our people, she having lived here at one time and has a large circle of friends who will rejoice to again welcome her to their midst.

Mr. Haralson has made his home here for several years, is popular with all who know him and is receiving the congratulations of his friends in winning so fair a companion to travel down life's pathway by his side.

To the happy young couple the Anvil Herald and hosts of other friends extend congratulations and trust the married life may prove one of unalloyed happiness.

Sketch from actual photograph showing the distinguished psychologists trying the Realism Test in the Edison Shop, New York.

You too can try this fascinating REALISM TEST

We give it in our store. You can hear it exactly as did the noted psychologists who visited the Edison Shop on Fifth Avenue, New York.

You've been hearing about the astonishing realism of the New Edison.

Now you ask: "Is this realism so true that I feel the same emotions in listening to the New Edison as I feel in listening to the living singer?"

Our answer is—put the New Edison to the test!

Mr. Edison devised his unique Realism Test for this very purpose. Then he invited distinguished psychologists to try it out.

Each of the three men got sensations that were startlingly vivid.

"I could have sworn there was a living singer standing behind me," said Dr. W.

V. Bingham, Director of the Department of Applied Psychology, Carnegie Institute of Technology.

"I felt the presence of a living singer. The accompaniment seemed by a separate instrument," reported Prof. C. H. Farnsworth, Director of the Department of Music, Teachers' College, Columbia University.

"The music filled my mind with thoughts of peace and beauty," said Wilson Follett, Esq., noted music critic.

We'd like to have you come into our store and try this same test. See what sensations you get. The Realism Test is the conclusive way for judging the realism of the New Edison.

Ask about our Budget Plan. It shows you how to buy your New Edison through Thrift.

Cotton News.

Ennis, Texas, May 1.—Because of the unprecedented demand of Automobile Tire Companies for staple cotton, A. H. Wicker & Co. of Ennis are urging cotton growers of Texas to plant staple cotton and secure a premium on their crop. "The revival in high prices for staples is caused by the demand for Automobile Tires, which must have the strongest and longest staple to weave the fabric for the tire," says their weekly news letter.

"A dollar a pound cotton is at last a reality, and not only a dollar but in some cases staple cotton has approached nearer the two dollar mark than the one dollar price. This is applied to long staples, the inch and one quarter recently selling in Falls River at \$1.04. In years past much of this cotton was raised in North Texas Counties, but the falling off in premiums has caused less to be planted in recent years.

"New England this year imported large quantities of Egyptian cotton which caused a near famine in that variety, resulting in a very rapid advance in prices. The world now faces an actual famine in that staple. It is said that this year the Goodyear Tire Company has given a guarantee of 60c on 10,000 acres of staple cotton to encourage the growing of the Staple.

"Although Texas farmers have gone in more during the past few years for better staple, they have overlooked the important feature of marketing the staple according to staple prices. Texas farmers should plant this better staple cotton even if not the $\frac{1}{2}$ to $\frac{3}{4}$ inch variety, for premiums will reward them liberally for their trouble.

"In order to get the reward for their cotton in the nature of an increased price and premium they must certainly look to the proper marketing. Under present system of marketing they will not realize what their cotton is worth. Blind marketing must go. In its place there must develop a system of marketing that will place the product before the spinner that wants that kind and that kind only. The market must be brought to the grower and the grower must not be forced to sell his cotton where it becomes a medium of speculation.

Strong Women

BY DR. VALENTINE MOTT.

Women and men too—are just as strong and healthy as their blood. Vigor and health come with good blood.

Without good red blood a woman has a weak heart and poor nerves.

In the spring is the best time to take stock of one's condition. If the blood is thin and watery, face pale or pimply, if one is tired and listless, generally weak, a Spring Tonic should be taken. An old-fashioned herbal remedy that was used by nearly everybody 50 years ago is still safe and sane because it contains no alcohol or narcotic. It is made of roots and herbs and called Dr. Pierce's Golden Medical Discovery. If druggists do not keep it in tablet form, send 60 cents for a vial to Dr. Pierce's Invalids' Hotel in Buffalo, N. Y.

About Rheumatism.

People are learning that it is only a waste of time and money to take medicine internally for chronic and muscular rheumatism, and about ninety-nine out of a hundred cases are one or the other of their varieties. All that is really necessary to afford relief is to apply Chamberlain's Liniment freely. Try it. It costs but 25 cents per bottle. Large size 60 cents.

For a burn or a scald apply Chamberlain's Salve. It will allay the pain almost instantly and quickly heal the injured parts.

Old Citizen of County Dies by Own Hand.

News reached Uvalde early this morning of the death by his own hand, of William Tampke of Utopia. He left the house and went out to the horse lot about four o'clock this morning when shortly after his wife heard a pistol shot and on investigation found Mr. Tampke had killed himself.

He leaves a large family all of whom are well known over the country, being old time residents here. He was a man who stood high in the estimation of his neighbors and all who knew him. He was for many years farmer and ranchman in the community in which he resided, though in recent years he had retired from the main activities of running his farm. He enjoyed the confidence and esteem of everyone and his untimely death is greatly regretted by his many friends.—Uvalde Leader-News.

Biliousness and Constipation.

"For years I was troubled with biliousness and constipation, which made life miserable for me. My appetite failed me. I lost my usual force and vitality. Pepsin preparations and cathartics only made matters worse. I do not know where I should have been today had I not tried Chamberlain's Tablets. The tablets relieve the ill feeling at once, strengthen the digestive functions, purify the stomach, liver and blood, helping the system to do its work naturally."—Mrs. Rosa Potts, Birmingham, Ala.

Do Your Best.

Everyone should do all he can to provide for his family and in order to do this he must keep his physical system in the best condition possible. No one can reasonably hope to do much when he is half sick a good share of the time. If you are constipated, bilious or troubled with indigestion, get a package of Chamberlain's Tablets and follow the plain printed directions, and you will soon be feeling all right and able to do a day's work.

Mr. and Mrs. Tom Witt and baby of Montell were guests of Mrs. Witt's parents, Mr. and Mrs. W. O. Victor last week.—Uvalde Leader-News.

For a Weak Stomach.

As a general rule all you need to do is to adopt a diet suited to your age and occupation and to keep your bowels regular. When you feel that you have eaten too much and when constipated, take one of Chamberlain's Tablets.

Misses Lena Mae and Irma Trickey, Olive Berry and Ethel Sanders were the guests of Mrs. Dick Prassel of San Antonio, last week at a house party.—Pearsall Leader.

Misses Celestine Bihartz and Gertrude Harris spent Sunday in San Antonio.—Pearsall Leader.

Suggestions for a Camping Trip.

Buy a bottle of Chamberlain's Colic and Diarrhoea Remedy before leaving home. As a rule it cannot be obtained when on a hunting, fishing or prospecting trip. Neither can it be obtained while on board the cars or steamships and at such times and places it is most likely to be needed. The safe way is to have it with you.

Personally we try to avail ourselves of all the legal holidays, but it is different with the tag days.

THREE YEARS WITHOUT HO

A Story of Sickness and Suffering with Final Return to Health. It will do you good to read it.

No matter how long nor how much you have suffered, do not give up hope. Do not decide there is no help for you. There is. Make up your mind to get well. You can. There is a remedy in which you may place full reliance as did Mrs. Rozalia Kania of 39 Silver Street, New Britain, Conn. This is what she says: "I had cramps for three years and thought I would never be any better. I could not eat without distress. Slept with my mouth open and could hardly breathe. No medicine helped me. I had catarrh of the stomach. Now I have no cramps and am feeling well and healthy. I wish every suffering person would take PE-RU-NA."

Catarrh effects the mucous membranes in any organ or part. PE-RU-NA, by regulating the digestion and aiding elimination, sends a rich, pure supply of food and nourishment to the sick and inflamed membranes and returns.

For coughs, colds, catarrh and catarrhal conditions generally PE-RU-NA is recommended. If you are sick, do not wait and suffer. The sooner you begin using Dr. Hartman's well-known PE-RU-NA the sooner you may expect to be well and strong and in full possession of your health. A bottle of PE-RU-NA is the finest emergency, prevention and protection.

Sold everywhere in tablet or liquid form.

It has just about gotten so in this country that some men are willing to tackle anything with a kick in it except the hind leg of a mule.

Maybe you also have noticed dog is so loyal to its master it times comes back on a visit finding a better eating and sleeping place.

HAPPIEST WOMAN IN THE STATE NOW.

Smith Says It Would Be
Ungrateful Not To Tell
Others Of Tanlac.

"I believe I'm the happiest woman in California today and it is all because of what Tanlac has done for me," said Mrs. Eugene Smith, a prominent and popular Los Angeles woman who resides at 680 West 52nd street. Mrs. Smith is an officer of the Star and other organizations. "For six years I suffered from a general breakdown. I had pains around my heart, which I told, were caused by pleurisy. My kidneys were in such bad condition I had constant pains in my back and my neck and shoulders would get so stiff and my limbs swelled so I could hardly walk. I was so nervous that even the ringing of the telephone bell upset me and it seemed impossible to get a good night's sleep. I tried everything I could hear of to get relief, even to having all my teeth treated, but kept getting worse. I became so weak and emaciated I weighed only one hundred pounds. Finally they took me to the hospital and I stayed there six weeks, but did not seem to improve in the least, so I was brought home and had about given up hope when a friend persuaded me to try Tanlac. I began to feel better after the first few doses and by the time I had taken four bottles of Tanlac I had gained eighteen pounds in weight and was as well and strong as I ever did in my life, for every one of my troubles had left me."

The result from Tanlac must be permanent, for it has been four months since I took my last dose and I am as well now as I did then, and I would be ungrateful not to tell others what a wonderful medicine Tanlac is."

Tanlac is sold in Hondo by W. H. Windrow; in Castroville by Joseph Windrow and Co.; and in Dunlay by A. Haby.

Ten miles used to be a long way

WHAT a difference in
these motor-car days,
when every point in the
county is hardly more than
"just around the corner."

People's ideas are chang-
ing, too.

They're beginning to fig-
ure out how much it is cost-
ing them to keep a car. And
the man who is doing the
greatest amount of figuring is
the man with the moderate-
price car.

There still seems to be a
notion in some quarters that
any tire is good enough for
a small car.

That's not what the man
who owns it thinks.

In recommending and sell-
ing U. S. Tires we are trying
to see his side of the propo-

sition—finding out what he
wants in a tire and giving
him that.

Large or small, U. S. Tires
are built to only one stand-
ard of quality—the standard
that produced the first
straight side automobile tire,
the first pneumatic truck
tire.

Every tire that bears the
name "U. S." is built the
best way its makers know
how. It isn't the car, but
the man who owns the car,
that counts with the oldest
and largest rubber concern
in the world.

As representatives of U. S.
Tires in this town, we offer
you the benefit of our experi-
ence and advice in settling
your tire problem.

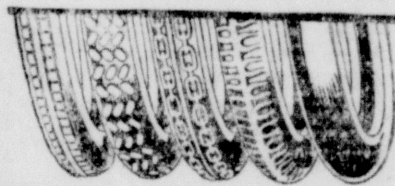

Select your tires ac-
cording to the roads
they have to travel:

In sandy or hilly coun-
try, wherever the going
is apt to be heavy—The
U. S. Nobby.

For ordinary country
roads—The U. S. Chain
or Usco.

For front wheels—The
U. S. Plain.

For best results—
everywhere—U. S.

Sharp, Stabbing Pains.

Often Tell Of Weak Kidneys. A Hondo Resident Shows You What To Do.

The sharp twinge of pain in the small of the back that strikes you after any sudden twist or awkward motion, may tell of weak kidneys. And there are often disturbances of the urine—too frequent urination, scalding or burning pain during passage, discolored urine and sediment.

Doan's Kidney Pills are prepared especially for weakened kidneys, kidney backache and urinary disorders—have proven their merit in thousands of cases. Doan's are endorsed throughout the civilized world—are recommended by Hondo residents.

Joe Huesser, Hondo, says: "I can highly recommend Doan's Kidney Pills for I know they are excellent. I suffered with my back and my kidneys bothered me a great deal. I had sharp knife-like pains in my kidneys every time I would move. I had to get up nights on account of the irregular action of my kidneys. The secretions burned in passage and were highly colored. A friend told me of Doan's Kidney Pills, so I used a box which cured the attack. I always use Doan's now when my back bothers me and they never fail to help me."

"Three years ago bought an Incubator, this year I've made money. Rats stole my baby chicks. Didn't know until a friend gave me a cake of RAT-SNAP. Next morning found two dead rats in henry. Kept finding them. Suddenly they disappeared altogether. It's the only sure rat killer." Take Mrs. Graves' advice. Three sizes, 25c, 50c, \$1.00. Sold and guaranteed by W. H. Windrow and Holloway Bros.

Goodyear Leadership—and Tires for the Smaller Cars

Enormous resources and scrupulous care have produced in Goodyear Tires for the smaller cars a high relative value not exceeded even in the famous Goodyear Cords on the world's highest-priced automobiles.

In addition to its larger sizes, Goodyear manufactures an average of 20,000 small car tires a day in the world's largest tire factory devoted solely to the 30x3-, 30x3½-, and 31x4-inch sizes.

Last year more cars using these sizes were factory-equipped with Goodyear Tires than with any other kind.

Their extreme worth is available for your Ford, Chevrolet, Dort, Maxwell, or other car using one of these sizes, at the nearest Goodyear Service Station. Go there for these tires and Goodyear Heavy Tourist Tubes.

30x3½ Goodyear Double-Cure \$23.50
Fabric, All-Weather Tread

30x3½ Goodyear Single-Cure \$21.50
Fabric, Anti-Skid Tread

Goodyear Heavy Tourist Tubes are built to protect casings. Why endanger a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30 x 3½ size in waterproof bag \$4.50
